Dear Parent/Guardians

The Australian Education Union (AEU), as part of its campaign for better conditions for staff and students in state schools, has called upon its members to participate in a statewide 24 hour stopwork action on Thursday 7th June.

The majority of our teachers will be involved in the stopwork.

Due to a lack of teacher availability, our capacity to run normal education programs and provide supervision, students are not required to attend school on Thursday 7th June, 2012.

We hope that this earlier than required advice will enable you to make alternative arrangements on the day.

The school will remain open with a small skeleton staff.

Please notify us only if your son/daughter WILL BE ATTENDING school on this day. We need to ascertain the number of students to enable us to provide limited supervision.

Pam Kinsman
Principal

Australian Education Union- Victorian Stop-Work Action Day- 7th JUNE 2012

Parent/Guardian Name: ..............................................................................................................

Student Name/s: ............................................................................................................................

I understand that on Thursday 7th June, 2012, students are not required to school as we will not have the capacity to provide our normal educational and supervision programs, however, my child/children as named above will be attending school on this day.

Signed: ................................................................. Date: ..................................................
