Principal News:

Welcome back to the school year. It has been delightful to catch up with all of our students and to welcome our new families to Torquay College over the past few days. We have also welcomed many new staff members. We wish them every success in their career at our school.

Our prep classes are all small. Other classes are also kept as small as possible as we believe that individual learning is supported in smaller groups. We hope that all students are happy in their new classrooms and enjoy getting to know their new classmates and their teacher in 2016.

Parking: We appreciate the difficulties that you have all had on the first three days of school but please DO NOT park in the staff car park. You are able to drive in and drop off (without leaving your car) at the “Rainbow Gate” gate in the parents’ end of the car park. Parents and children are asked not to walk through the car park. If you live within walking distance of the school please consider forming neighbourhood groups and take turns to walk the children to school.

Literacy and Numeracy support: Our school is fortunate to have a Reading Recovery teacher, Marian Browne and a Reading Recovery tutor, Pamela Bristow. This program is available for students when they are in year one and require additional support to reach the required standard in reading. We also have wonderful literacy support and a trained Multi-Lit teacher for older students, Lis Fawcett-Smith. This support staff team will have a major impact on the educational outcomes of our students. Lis will be delighted to train any willing volunteers to work in the Reading Rocks program again this year. We also look forward to again having Tom Devine, a volunteer providing extension maths for our senior students.

Sunsmart: Our school promotes all students and staff to be ‘Sunsmart’ and abide by the government Sunsmart policy. During term 1 and term 4 all students are required to wear a school hat every time they are involved in outdoor activities. We apply the ‘no hat no play’ rule at recess breaks so it is important that your child has their hat at school every day. Sun glasses are encouraged to be worn. Students are also encouraged to apply sunscreen before school and again if involved in outdoor sport.

Uniforms: Thank you to all families for having your children well prepared for school with uniforms and books ready to commence classes. Please ensure that your child/ren wear their correct uniform every day. Only stud ear rings and watches are permitted – no other jewellery please. (policy attached)

Wanted parent Volunteer: At the end of 2015 we had a rack and a box full of named items (mostly jumpers and hats) that were not collected from the Lost property baskets. It would be wonderful if we could have a couple of parents to assist us in sorting and returning items to their owners. Thanks to one lovely volunteer, the unnamed items have been washed and placed in our recycled cupboard ready for purchasing.

Vale: Sadly I must advise you of the tragic death of one of our school parents, Angela Lms mother of Ivy Flannery in year 1. Our thoughts are with the family at this tough time. School families are invited to a memorial gathering at 12 noon at the Jan Juc Park where there will be a tree planting and BBQ. Children are also welcome in this invitation. For further information please contact Jaz Condon on 0414 660 706.

Pam Kinsman, Principal
ASSISTANT PRINCIPAL REPORT:

Dear School Community Members,

A warm welcome to all students and families for 2016. In particular we welcome our 141 Foundation (Prep) students as well as the 27 students attending our College for the first time. We trust the holiday and New Year celebrations were enjoyable times spent with family and friends.

We would like to acknowledge the wonderful support families have provided to their children and the College during this early part of the year. 2016 promises to be a year full of wonderful opportunities for our students.

Both Assistant Principals are aligned to learning teams. This role includes supporting the teachers and the students and their families within each year level.

Year 3 - 6: Nadia Tkaczuk

We encourage parents and carers to make contact with the school to discuss any matter regarding their child. Please don’t hesitate to contact classroom teachers, team leaders or a member of the principal team to discuss any issues or concerns.

We look forward to meeting many of you throughout the year.

Learning How to Learn

During this week, all students and classes are participating in the ‘Learning How to Learn’ program. The aim of this program is to set classes up for a successful year. Students who start their school year feeling focused, organised and in control of their learning, are more confident, more involved in their learning and helps them to believe in themselves as learners and sets them up for further success.

The program includes activities such as, ‘What makes a good friend’, ‘Special Me’, classes collaborating to create class values, teachers and students working together on class expectations and students determining their best learning style.

This fun-filled week helps create an atmosphere that supports learning, cooperation and all class members feeling valued.

Information Nights

The dates for our annual Parent/Family Information Nights have been finalised:

More information will be provided to parents/carers next week.

Meet and Greet Parent/Teachers Discussions

Our Meet and Greet Parent/Teacher Discussions are an important part of our home/school partnership and a key component of our reporting to parents program. These discussions are an opportunity for parents and teachers to personally meet and to provide each other with information that will support the learning of your child. The dates for these discussions are Tuesday, 23rd February and Wednesday, 24th February from 3.10pm til 5.10pm. Each discussion will be 10 minutes. More information will be sent to parents later this week.

Friendly Reminders

To maximise your child’s learning time and to minimise disruptions to classrooms, please make sure your child is at school by 8.30am. Our school day starts at 8.30am and late arrivals often miss important instruction and information. This helps us to make a prompt and effective start to classes. It also assists your child to settle in ready for the day.

Thank you for supporting our school and have a great week.

Kind Regards,

Christian Smith and Nadia Tkaczuk

**SWIM TRIALS**

Interested swimmers are invited to trial for the Torquay College Swim Team that will be competing in the Divisional Swimming Carnival on Friday 4th March at the Kardinia Aquatic Centre. Please note students must be turning 9 or older in 2016 in order to compete. Two 50m lanes have been hired from 4pm – 6pm on Wednesday 10th February (also at the Kardinia Aquatic Centre). Students will simply need to pay the entry fee into the pool. Students will have the opportunity to be timed in the strokes they are interested in competing in. Any parental assistance with the timing and recording process would be greatly appreciated.

If you are interested but unable to attend on this date, please see Mr Ross so alternative arrangements can possibly be made.

**Regards,**

Brad Ross

Words of the Week

This week’s words are—Selamat datang pronounced, Sel-arm-ut dut-ung.

Selamat datang means WELCOME. From the Indonesian team, Pak Bimo and myself, we say to all returning families and new families, ‘Selamat Datang di Torquay College’. Looking forward to meeting you this year.

Salam hormat, Bu Kylie (Indonesian teacher)

DISABLED CAR PARKING FOR PERMIT HOLDERS ONLY

There are designated disabled car parking spaces surrounding our school for students, parents and visitors to our College that have a disabled parking permit to allow them easy access to our facilities.

**Stephanie Alexander Kitchen Garden Update**

We are looking forward to another successful year in the Stephanie Alexander Kitchen Garden Program. A huge thankyou to all our wonderful volunteers who watered our garden over the holidays. The garden is going wild with an amazing pumpkin and tomato crop. If you are interested in volunteering in the kitchen or garden please contact Terri 5261 0906. It is fun working with the students and it is a great way to meet some new people and get some new recipe ideas. We are also looking for donations of any excess fruit or veggies from your garden, especially zucchinis for our next recipe.

Summer time spruce up

We had a big team of volunteers come out during the school holidays to get the centre freshened up ready for the new year. The exhibits look fantastic and the centre is ready for exploring! Thank you to those that came, in particular Wendi Hirst for your tireless efforts.

What's new in the Enviro Centre?

Did you know that Corellas can live to be 80 years old?

Meet Badger our new Corella. He is only 12 months old. Just a baby!! Badger's mother died when he was a chick so he has been hand raised and now he is enjoying life in the aviary. He loves almonds and a scratch behind the head. Say "Hello Badger" to him and he might just talk back!

Did you know that male seahorses have babies?

AND these shy and tiny guys can give birth to up to 700 live baby seahorses at a time! WOW!!! We now have two male Southern Knight seahorses that are yet to be named.

R11 will be having a naming competition ,with all $ raised helping to buy more shrimp for these voracious feeders to eat. Students from R11 will come to classes to record your name. Bob? Squiggly? I'm sure you can come up with something better.

Gold coin donation per guess– enter as many times as you like and good luck.
Uniforms

Rationale:
- A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Aims:
- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

Implementation:
- The Dress Code applies during school hours and when students are on school excursions.
- Stud earrings and sleepers worn in the ears, plus watches are the only acceptable jewellery.
- No cosmetics may not be worn during school hours, including nail polish.
- Other than headwear approved for religious, cultural or medial reason, the only headwear that is acceptable is Sunsmart hats consistent with our Sunsmart policy. They must be worn outside in terms 1 & 4. Hats are not to be worn inside.
- Secondhand uniforms are available at the office.
- The student Dress Code, including details of uniform items and places of purchase, will be published in the newsletter at the start of each year.
- School Council requires the school community to be responsible for implementation of the Dress Code in a manner consistent with the Student Code of Conduct.
- Arrangements can be made to supply uniforms via State Schools Relief for families experiencing economic hardship.
- Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship are invited to meet with the principal, trusted teacher or members of the wellbeing team who will advocate with them in relation to special circumstances.
- Any modifications to the standard uniform must be ratified by School Council.

Evaluation:
- This policy will be reviewed as part of the school’s three-year review cycle.
**Summer – Terms 1 and 4**
Green and white gingham check dress; or
School green culottes or shorts with a gold or green polo shirt; or
Green and white gingham check skorts with a gold or green polo shirt

School grey cord shorts with gold or green polo shirt; or
School grey drill shorts with a gold or green polo shirt

**Winter – Terms 2 and 3**
Green and gold kilt with a gold or green polo shirt or skivvy; or
Green tracksuit pants with a gold or green polo shirt or skivvy

School grey cord pants with a gold or green polo shirt or skivvy; or
School grey drill trousers with a gold or green polo shirt or skivvy

At all times students can wear green and gold zipped jumper or green polo fleece hooded windcheater, grey or white socks or green stockings with appropriate footwear. Tying long hair back is recommended.

When representing the College Years 5 and 6 students may wear the College black tracksuit pants and polo shirts.

Year 6 students may wear the unique polo shirt and zipped windcheater.

Appropriate shoes will be worn (closed in toe, no fluorescent or bright colors).

Extenuating circumstances should be discussed with a member of the Principal team.

This policy was last ratified by Torquay College in December 2014
FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
- $125 for primary school students
- $225 for secondary school students.

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef
