Principal’s News:

**ANZAC Day:** Torquay College was very well represented at the Dawn Service in Torquay. Our school captains were up bright and early to take part in the wreath laying ceremony. Thanks to all who attended and supported our students.

**IGA: rewards:** Over the years we have been able to purchase many readers from this simple fundraising effort. It would be great if all families kept a tag to register points every time you visit IGA even if it is only on several occasions a year. Our office has arranged to have tags available at school for any families to collect one for their car keys.

**Battery and Mobile Phone recycling:** Please remember not to throw your used batteries and old mobile phones in the rubbish as they are dangerous contaminants to landfill. Our school has recycle boxes in the foyer and we send them for recycling. Please support this project and send them in.

Torquay College Student Leaders Caitlin & Colt, along with myself attended the Geelong Schools ANZAC commemoration Service on Friday 22nd April at Johnstone Park.

Pam Kinsman, Principal
ASSISTANT PRINCIPAL REPORT

Dear School Community Members,

Parenting Seminars

Torquay College is very excited to offer a number of parenting seminars throughout 2016. These include seminars on ‘Raising Anxious Children’ and ‘Cyber Safety’. Our first seminar is ‘Building Connections’. This seminar gives separated parents some valuable tools and insights into supporting their children’s learning and development by improving their co-parenting relationship. For further information, please see attached flyer and contact Steve Brew (Chaplain) or Christian Smith.

NAPLAN – Year 3 and 5

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3 and 5. On Tuesday 10th, Wednesday 11th and Thursday 12th May, students will undertake the 2016 NAPLAN tests.

NAPLAN is made up of tests in the four domains of Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy.

NAPLAN assesses skills in English and Mathematics that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in Mathematics and English skills against national standards for all Australia children.

All students are encouraged to participate in the tests. Students with a disability may qualify for special provisions that reflect the support normally provided to them in the classroom.

Please consult your child’s classroom teacher to discuss any aspect of the NAPLAN.

An individual student NAPLAN report will be issued by the school later this year.

5:00am. It is pitch black. Your ears and nose are frozen, your hands are numb, and you're wearing nothing but a paper thin shirt and pants. It is eerily quiet. You drag yourself up to the shore of Gallipoli only to get ambushed by Turkish Soldiers. You watch in horror and disgust as you see your mates, your fellow soldiers die right next to you. Screams of agony is all you can hear, "HEEELLP!!"

The ANZAC's were traumatised... forever.

On the 25th of April Caitlin and Colt went to the Dawn Service at Point Danger to remember all the Australian and New Zealand men and women who gave up their lives, fought and died, for a better future for Australia. We felt honoured to lay a wreath on behalf of Torquay College and were privileged to be a part of the Service.
