Chinese student and teacher visit: Our school is certainly privileged to have such great links with our sister schools in China. The Chinese students spent time in classrooms across the whole school and shared cultural activities. My sincere thanks to our wonderful host families for the outstanding job you did in providing a wonderful experience for each of our visitors.

Internationalising Schools: Yesterday the government released the new policy and guide for schools to ensure that we are preparing our young people to become global citizens in the years to come. I attended the launch at the conference with three teachers from Torquay College and shared some exciting and challenging goals for the next generation of students. Torquay College is well placed to adopt the new policy as our current intercultural studies programs will form the basis for the work to come in our next strategic plan.

School Camps: Last week our year four students experienced an excellent camp at Sovereign Hill and we were extremely fortunate to experience the amazing ‘Christmas in July’ with snow, lights and music to end the day. Thanks to our teachers and volunteer parents for giving your personal time to make the camp such a great experience for our students. Well done!

CISV Mini-camp: Torquay College is supported through CISV for our intercultural programs and our exchange visits with schools in China. All Torquay children are welcome to attend the CISV Mini-camps that are held in Anglesea twice a year. You do not have to be part of a delegation to enjoy the experience and learn more about the programs that promote intercultural understanding and life skills to communicate effectively in a global environment. The details are attached.

Homework Survey: Last year parents were surveyed about our school homework policy. The survey responses from families will be shared over the next few weeks. Today we will include your responses to the first two of the questions. The School Council sub-committee were most appreciative of the feedback in reviewing the school homework policy.

Winter Food Aid: We have the Toucan Box in our foyer and ask our school families to support the appeal for donations of cans and packaged food to support Torquay Food Aid.

Help wanted: Congratulations to all who have sent in batteries and phones to recycle. The phones are sent regularly to the Melbourne Zoo recycle centre. We are doing so well collecting batteries that we need help to take them to the recycling depot at Aldi in Grovedale. Please ask for a bag at our office if you can assist.
Dear School Community Members,

By now, all students should be into the habit of reading regularly (both independently and being read to). As parents and carers, we have the opportunity to project and model the importance of reading onto our children. Professor Anne Bayetto from Flinders University in South Australia highlighted students who read:

- **Less than 1 minute** per day will read 8000 words a year
- **4.6 minutes** per day will read 282,000 words a year
- **20 minutes** per day will read 1.8 million words a year

How can they ever catch up? Our role, as teachers, is to provide the explicit reading strategies that children require to be successful readers. As parents/carers, your job is to give the opportunity for them to practise these skills. We expect all students are engaged in a regular home-reading program.

**R U OK?**

A reminder to students and families of the ‘R U OK?’ tool on our student Intranet page. The ‘R U OK?’ tool is designed to support students who are having a tough time. Students can use this tool to report bullying or inform us that they are having a tough time. The report students make through this tool is emailed to Mrs Loader and Mr Smith.

We encourage students to utilise this tool in times of need.

**100th Day for Foundation students – Congratulations**

Next Wednesday (3rd August) will be a special day for our Foundation students. It will mark the 100th day they have been at school. Our Foundation students have come a long way since the start of the year. The development in the children’s writing and reading is exceptional. We’ve also witnessed significant development in skills involving the school values, social skills, independence and resilience. This growth is tremendously pleasing and a result of the terrific home-school partnership embedded within our school. Congratulations to all parents, families, and the Foundation teachers on the wonderful support you all provide to our students.

**Lunch Time Clubs Timetable**

Torquay College’s lunch time clubs program continues this term with the aim to further support the wellbeing of each student. An outline of the activities and the times and days each club is offered is included in this addition of Quaynotes.

We encourage all families to discuss these opportunities with your child/ren.

**Working Bee – Years 3 to 6**

To maintain safe and appealing playground areas, we ask our Year 3 – 6 families to join us for a working bee.

- **Date:** Friday, 12th August
- **Time:** 3:00pm – 4:30pm
- **Jobs:** Spreading softfall within our playgrounds
- **Equipment:** Wheelbarrow, shovels and rakes

A sausage sizzle will be provided.

**Curriculum Day – Monday, 15th August**

An important reminder that Monday, 15th August is a pupil free day as staff will be participating in a professional development day. This day will allow our staff to focus on our Writing and Spelling programs.

Thank you for supporting our school and have a great week.

Kind Regards,

Christian Smith and Jo Loader

### Hari Kemerdekaan

**Indonesian Independence Day**

**Help needed!**

**Halo-halo Torquay.** This year we are celebrating Indonesian Independence Day in a big way! We will be conducting a school wide Indonesian Speaking competition. We need **judges**, so if you can speak a bit of Bahasa Indonesia (any level) and you have some time during the day on **Tuesday 16th Aug** to come and listen to our talented students please contact me.

nam.kylie.k@edumail.vic.gov.au

Terima kasih!! Bu Kylie
Year 4 Sovereign Hill Camp 2016

Last week Year 4 went to the Sovereign Hill camp! On the bus trip there, I sat next to Eve, we read, ate lollies and did some drawing. At about 10:30am we got to Sovereign Hill camp and took our suitcases to the cabins and then got straight into the activities. Firstly, we got free time with our teacher, so we went to the lolly shop and brought some lollies, I got raspberry drops and mixed fruit boiled lollies! I also got a bag of raspberry drops for my family.

When we got out of the lolly shop we watched one of the troopers (police) shoot a gun, it was pretty loud but also cool too. I liked how they used bubbles as fake snow during the day for “Christmas in July” the bubbles were everywhere and it was beautiful. They also had decorations everywhere. At night we saw the lights on all the buildings, it was really cool, I liked the patterns. The snow looked cool in the colourful lights. Then we had to go to the ‘Blood on the Southern Cross show’ so we made our way to that and watched a short clip about it and then went to the show. As we took our seats the show began and we sat quietly and watched. When the Eureka Stockade got attacked there were lots of gun shots. We had also gone to the Red Hill Mine the gold smelting during the day, which I really enjoyed. The gold smelting was where they melted gold and then made it back into gold bullion! The Red Hill Mine was so fun, we got to go underground and look at the mine. I loved camp. By Sari R1!
Parents

Have you considered attending a Parents & Carers Meeting?

Parents & Carers Committee: Is a group of School Parents that get involved with projects to enhance the children’s experience & facilities here at Torquay College. This maybe through fundraising, or projects like painting the mural in the Stephanie Alexandra Kitchen, school discos, Mother’s Day Stall & much more.

If you have an opinion, idea that you would like to share or if you have a skill that you can offer, we would love to see you.

Please be assured you do not have to commit for a whole year.....

Children Welcome at Meetings.

We are keen to welcome new attendees:

Our next meeting date will be advised in the School Newsletter.
Library News:

Roald Dahl Readathon/Competition.

Please see attached information about a great competition. Torquay College students have read or heard quite a few Roald Dahl books, so could be ahead of the 8 ball for the competition. Some families may also have the collection at home. You can also try the local bookshop, Geelong Regional Library, and the internet sites such as Book Depository and Amazon to purchase them if you wish to participate. Please come in to see Kathy or Lesley if you would like more information.

Premiers’ Reading Challenge.
Please continue to support your students at home by logging on to their homepage and entering the books read.

Happy Reading!

Kathy and Lesley.
ROALD DAHL READ-A-THON
AUGUST 1 - SEPTEMBER 13

Enter for a chance to experience
Matilda
THE MUSICAL
on stage in Brisbane!*

HOW IT WORKS
Readers are encouraged to see how many of the 14 nominated Roald Dahl books they can read between Monday 1 August and Tuesday 13 September. There are 14 different quizzes, one for each book.

In order to unlock the entry form to WIN, entrants must read at least seven books and complete seven quizzes before 11:59pm on Tuesday 13 September.

TO ENTER
Readers will have to answer this question:

Who is your favourite character from Roald Dahl’s Matilda, and why?

The best answer wins!

*This prize includes flights from the nearest capital city, accommodation and tickets to Matilda the Musical in Brisbane for 2 adults & 2 children.

Terms & Conditions apply. © Roald Dahl Nominee Ltd / Quentin Blake 2016. Roald Dahl is a registered trademark of Roald Dahl Nominee Ltd.

TO SIGN UP VISIT

Music News

Instrument donations

Many thanks to Amanda Scamell for bringing in the Yamaha keyboard donated to the school by her neighbour. We need more guitars too, so if you know of any that are lying around un-played, or gathering dust in someone’s shed, please think about donating to the school so that they can join in with these two that are in the old portable music room.

Outdoor music space

We’re also looking for any old, broken instruments to become part of an interactive semi-outdoor music space in the old bike shed that joins on to the back of the garden shed. At the moment it looks like this – but we’ve got a wonderful team of volunteers led by Nynke de Boer who have finished their amazing work on the garden shed murals and are now ready to start on this new exciting project.

We need – old instruments, colourful paint, and PVC pipe off-cuts for the new percussion instruments that our students will make with help from the volunteers.

The walls will be painted with an undercoat on Friday 5th August, starting at 9am - if you have some time to come along and help please contact Anika Helene via the office.

Geelong Schools Music and Movement Festival

Our school bands and Circus Troupe have been busy practicing during their regular lunchtime rehearsals. They’ll be performing at Costa Hall in Geelong on Friday 12th August as part of the 70th Annual Geelong Schools Music and Movement Festival. We are on during the 11am session. Tickets are $5 and available from the GPAC Box office.

To buy tickets go to: http://gpac.org.au/

Ben Reid and Anika Helene

WORKING BEE FOR ALL YEAR 3 TO YEAR 6 FAMILIES

We will be holding a working bee on Friday 12th August from 3pm to 4:30pm to maintain safe and appealing playground areas. A sausage sizzle will be provided.

Many hands make light work!

BOOKCLUB is coming home this week and is due back to school today Unfortunately we cannot take any orders after this time. Thanks for your continued support. Please make sure your child’s name and class is on the order form.

Visit GTAC for National Science Week 2016 and participate in Magnificent Microscopy: Life Under a Lens

GTAC invites students aged 10-13 and their parents to zoom in on scientific research specimens. You will investigate with scientists how research is being used to solve global problems.

- Use microscopes. Use light microscopes, powerful electron microscopes, and advanced fluorescent microscopes to discover how technology is used in cutting edge research.
- Activities: Guided by scientist mentors, carry out exciting activities to investigate how cells become the building blocks of living things, and observe how strange aquatic life forms create ecosystems.
- Become a scientist: Discover what hidden beauty lies in your own backyard. Use GTAC microscopes to analyse specimens you bring in from home.

Where: The Gene Technology Access Centre (GTAC)
77 Story Street, Parkville.
When: Sunday 21st August, 2016
Register for one session: Session A: 9.30am—11.00am
Session B: 12.00pm—1.30pm

This is a free public event
Registration is essential. go to http://www.gtac.edu.au/?p=5949 or visit http://www.scienceweek.net.au/
