Principal’s News:

News from China: Our students travelled to China on Saturday and have already spent time with the Dong Feng Dong school students. Students are now with host families from Dongguan Chang An. They will be spending time with the students we hosted in July and then attending a mini-camp with students from both schools. We are in regular contact and the delegation are having a great time experiencing Chinese culture.

Dropping off students in front of our school: Parents who are turning right into the car parks at the front of the school from Grossman's Road across the double white lines are breaking the law. It is definitely unsafe to turn due to the heavy oncoming traffic and the presence of students getting out of parked cars. Early next term the shire traffic officers and the police will be monitoring traffic to ensure the safety of our students.

Holidays: I invite all parents to use our playgrounds during the holidays but remind you that all children under 18 need to be supervised and that no skate boards are permitted on DET (Department of Education and Training) property. There will be extensive work occurring on the area beside the shire offices that will require everyone to please avoid that section of our grounds. Our school provides wonderful playgrounds for our local families and we appreciate the care you take of the facilities. If you have any concerns about behaviour or vandalism, please call the school or local police.

Lost Property: There are once again huge piles of uniform to be collected from each teaching block. If it is not collected I will be washing and recycling any unnamed articles. Please check that your child’s garments are still clearly named prior to the beginning of term 4. Any volunteers to help with the washing of the clothing over the holidays would be appreciated.

Sun Smart – Broad Brimmed Hats: I wish to remind parents that all students will need to wear their brimmed school hat for the remainder of the year during all outside activities. This is part of the School Council’s ‘Uniform’ and ‘Sun Smart’ policies. Please name hats CLEARLY.

I hope you all have an enjoyable school break and I look forward to seeing everyone refreshed for a very busy term four.

Go Cats!

This week marks what would have been Roald Dahl's 100 birthday!

R6 celebrated this special occasion with a day dedicated to the great author.

We created our own Roald Dahl inspired stories and discovered what our names would be if we were a character in one of his stories.

We made Mr Twit beards, created Dream Jars, invented our own Willy Wonka style Chocolate Bars, and played a hilarious game of "Pin the Newt on Miss Trunchbull!"

Nyla Rigoni treated us to a delicious cake she made, and Lola Ryan shared some amazing family treasures... Roald Dahl books dedicated to Lola and signed by Roald Dahl's wife Felicity!!

We had a scrumdiddlyumptous day!

IGA Community Rewards

Currently most of our school families have IGA key tags to donate points to the school fundraising total. This year we are doing really well with over 2000 points collected so far. Please ask for a key tag if you are currently not collecting points at IGA. The friendly staff at IGA can assist in registering your card. Every time you shop at the IGA you can help the school with fundraising. We are working towards raising enough money this year to replace the Prep playground.
