

(Year 6) - Curriculum Contributions for 2024

Dear 2024, Year 6 Families,

Torquay College is looking forward to another great year of teaching and learning and would like to advise you of Torquay College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This makes a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide outstanding teaching and learning opportunities, as well as special curriculum experiences such as the Environmental Centre and the Stephanie Alexander Kitchen Garden program.

Enclosed you will find all information regarding the 2024 Curriculum Contributions.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

Yours sincerely,

Simon O'Brien
Principal

Nick Kearsy
School Council President
