

Yard Duty and Supervision Policy

Help for non-English speakers

If you need help to understand this policy, please contact the school Principal on 52 612 360.

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Torquay P-6 College, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal (and Principal's delegate) is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Torquay P-6 College's grounds are supervised by school staff from 8:20 am until 3:15 pm. Outside of these hours, school staff will not be available to supervise students.

A staff member is present in the following location before school:

- Front Entrance

A staff member is present in the following locations after school:

- Bus stop
- Front entrance
- Rainbow gate

During recess and lunch breaks, 10 staff members are on supervision duty in the yard at all times. Seven designated zones exist for yard duty supervision, Area 1-7.

Area 1 – 1/2 Playground and canteen

Area 2 – Hardcourts and Soccer Pitch

Area 3 – Prep playground

Area 4 – Oval

Area 5 – Lower hardcourts and GaGa pit

Area 6 – Senior playground/SAKG

Area 7 – Wellbeing room

Parents and carers will be advised through regular reminders in our newsletter that they should not allow their children to attend Torquay P-6 College outside of these hours. Families will be encouraged to contact the school office on 52 612 360 for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Torquay P-6 College are expected to assist with yard duty supervision and will be included in the weekly roster.

The Principal and timetable manager is responsible for preparing and communicating the yard duty roster on a regular basis. At Torquay P-6 College, school staff will be designated a specific yard duty area to supervise as per the timetable.

Map of Supervision Areas at Torquay P-6 College:

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in teacher office space
- First Aid bag

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- enact incident response if required
- log any incidents or near misses as appropriate

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the principal (or principal's delegate) with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the principal (or principal's delegate) but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a student in to the principal (or principal's delegate) and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom at any time during a lesson, they should first contact the principal (or principal's delegate) for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

Digital devices and virtual classroom

Torquay P-6 College follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Torquay P-6 College will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in an allocated classroom as outlined in the remote learning roster.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored each day via Compass and WebEx.
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Included in our staff shared folder
- School websites
- Included in our school newsletter information at the beginning of each term
- Made available to school community in hard copy at the school office

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent at the beginning of each term in our school newsletter.
