

Remote and Flexible Learning Term 4 One Day Program 2021

Year: 5 Date: Wednesday 15th December

Dear Torquay College Families,

Torquay College is committed to supporting all students as we undertake a one day school closure for Wednesday, 15th December. We want to ensure that we attend to the wellbeing of our school community and that everyone is safe and feels supported during this time.

Please note, attendance will be marked via the Seesaw - Parent Portal. There will be no sessions via Webex.

We acknowledge this situation may present some great opportunities for some families whilst being a challenging time for others. Torquay College will be working with families to ensure we are meeting the needs of our students. As always, our priority is our students' and their family's wellbeing and we ask that if you have any concerns or questions, please stay connected and contact the school.

Thank you for your continued support

Christian Smith, Emily Burgess, Victoria Long
Principal Team
